

CLIMBERS... READY?

2010 VICTORIAN TREE CLIMBING CHAMPIONSHIP

The 2010 Victorian Tree Climbing Championship will be held in Warragul on the weekend of the 23rd and 24th of October. Registration for the competition and further details are available on the VTIO website:

www.vtio.org.au

Please register early to secure your place.

Registration now open for 2010 Victorian Tree Climbing Competition

Entry is available across four grades: Student, Men's Open, Women's and Men's Masters. Student grade is open to any climbers who have not competed before and who are currently enrolled in an arboricultural training course. Only climbers with previous competition experience will be able to enter the Men's Masters Grade, which has a limited number of places available; entry to this grade will be by ranking in previous VTCCs or other ITCC format events.

International and interstate climbers are very welcome to take part; the Victorian Tree Climbing Championship has a history of attracting some great out-of-state climbers who are prepared to travel to Victoria to share their skills and experience and see what the local climbers have to offer. Although only Victorian climbers will be able to take part in the Master's Challenge, out-of-state climbers are eligible to win events and take home a share of the very generous prize pool.

Details are still to be finalised and will be posted on the VTIO website as they become available. Closing date for entry is Friday 16 October at 6pm after which no further entries will be accepted.

The VTIO would like to thank our gold and silver sponsors:
